ORDER OF BUSINESS.

Mondays and Thursdays are devoted to motions of all kinds, both in Law and Equity. If these should not occupy the day. Common Law arguments, on demurrers, special cases, &c., and Equity cases, on argument of pleas, demurrers and exceptions and caveats, may be taken.

On the other days, motions of course and those at Law, where the progress of a cause may be delayed, may be taken—then Common Law, Equity and Ecclesiastical causes, in their order in the respective papers of causes, those which are called on and not fully heard on *Wednesday*, to be taken on the Thursday, notwithstanding the above rule.

During the Sittings after term, all such motions as can be heard out of term, are taken on Monday and Thursday, but not on other days if the Court is sitting for the trial of causes. If the Court is sitting for hearing other causes, all Motions may be taken at the sitting of the Court, and before causes are called on.—After these are gone through, the Common Law Board is called on, while any causes remain on it, then the Equity Board, and then the Ecclesiastical.

In vacation a Judge sits in Chambers, every Tuesday and Friday, at eleven o'clock, but Counsel do not appear on contested motions until twelve.

2d. Two Magistrates have special authority in Divisions of the Town, as undermentioned:

F. W. Rich, Esq. Cossipore, 1st or North Division.

JAMES HUME, Esq. Magistrate; Tank Square, 2d or South Division.

3d. In consequence of the late changes made by the Government in the Magistracy of the Town of Calcutta, the town has been divided into two Magisterial Divisions, and that the following line of roads, from the Circular Road to the Strand, has been laid down as the demarkation of the extent of the jurisdiction of the two Calcutta Magistrates.

Boituckannah, Bow Bazar, Loll Bazar Roads to Tank Square North down Clive Street, in a Northerly direction till Fairlie Place, down Old Fort Ghaut Street to the banks of the Hooghly.

4th. The Senior Magistrate F. W. Rich, Esq. has special authority in the portion of the Town, lying North of the above line of roads, and James Hume, Esq. in the southern portion, including those thoroughfares themselves. Parties complaining of felonies, assaults, misdemeanors, &c. will prefer their charges before the Magistrate in whose jurisdiction they reside.

5th. The Chief Magistrate will as heretofore take cognizance of all offences occurring on the River and reserve to himself the option of adjudicating cases of importance wherever they may occur within the limits of the Town.

6th. Where Felonies and other serious offences have been committed and the offenders not apprehended, information should be lodged with Captain Hicks, the Superintendent of the police, — or at the nearest Station in Section House.

7th. Police Office hours are from 11 o'clock A. M. to 5 P. M. or till business is finished.

8th. The Lock-up Houses and Jails are specially under the orders of the Chief Magistrate, and the Fire Engines under the Superintendence and general control of the Chief Magistrate; but the Magistrates generally will, of course, lend their hearty aid in cases of serious fire, and in visiting the Jails, for the purpose of bringing forward improvements or new regulations.

9th. The regulation of religious and other processions will be administered by Captain Hicks, under the direction of the Chief Magistrate.

10th. All Correspondence on general points affecting the Police, or the Police Buildings, or the Establishments, will pass through the office of the Chief Magistrate.

11th. All Complaints against Police Officers are to be preferred before the Superintendent, in the first instance. Those requiring to be judicially dealt with are only cognizable by the Chief Magistrate.

12th. The Assessment and Conservancy Departments are under the Chief Magistrate. References in the latter Department are to be made to the Superintendent of Roads and Conservancy, and in the former to the Chief Magistrate direct.

THE QUARTER SESSIONS OF THE PEACE.

This Committee composed of the Chief and the other Magistrates, meets in the Police House ordinarily on the 10th and 20th of each month for the disposal of the Municipal business of the Town and also hears Appeals against the Assessment.

LOAN RULES.

1. Loans, repayable within twelve months, are granted to officers, civil or military, who can arrange for the regular payment of their stipulated monthly instalments, at Agra, on the security of two approved sureties.
2. Under the same condition, and to the same classes. Loans requiring two years for repayment are granted with three sureties; and loans requiring three years with four sureties.
3. In the last two cases, where it may not be convenient to give more than two sureties, the loan must be further protected by a life insurance: but on application to that effect through the sureties, they consenting to the same, the directors will be prepared to allow the discontinuance of the policy on a loan of the two year class, after the expiration of the first year, and on a loan of the three year

class after two years have expired. But where the borrower is on foreign or field service the loan must always be covered by a life insurance.

4. To avoid the inconvenience and delay attendant upon the execution by principal and sureties of the various loan papers the Secretary is authorised in cases where moderate amounts for short periods are desired for immediate purposes, to advance the same on promissory notes at 3 months date with one approved endorsement. The Secretary will furnish all other particulars necessary.

5. When a debtor dies, the balance (after discharging his own debt in full) of any policy of assurance upon his life will, at the discretion of the directors, be detained as security for the repayment of the balance of any account for which he may be responsible as a surety.

6. Under particular circumstances, and with the written consent of sureties to the proposed suspension, an officer may apply to the directors for the temporary discontinuance of his instalments.

7. Where parties may find difficulty in effecting their remittances to Agra drafts on Calcutta or elsewhere, will be received in repayment of loans at the exchange of the day.

8. The mortgage of real property in the hill stations and larger military cantonments will be taken in place of life assurance, provided that the property be officially registered in the station books as belonging to the Bank, and that the amount advanced thereon be regulated by previous official report as to its true value.

9. Furlough loans of which applicants may avail themselves in the whole amount before leaving India or in part as required will in *special* cases, be granted at per cent during 3 years absence from India and subsequently at the rates above regulated, on the guarantee of three approved sureties (for whose protection, as in other cases, the life of the borrower will be kept adequately insured), the periodical instalments being deferred until the expiry of the usual furlough, or if earlier the return of the party to duty.

10. In case of absence in Europe on medical certificate the period of repayment of loans will be extended in like manner, the interest reduced, and the instalments suspended on the party giving adequate insurance upon his life, or other sufficient security.

11. In all cases of insurance, unless the debtor himself desire that the policy should be maintained at its original amount, it is reduced half-yearly according to the gradual liquidation of the debt.

12. Regimental loans repayable in five years are granted at 8 per cent. to corps to facilitate the establishment and maintenance of messes, bands, libraries, and other regimental purposes. The Secretary will be glad to frame scales for shores for regiments requiring advances.

13. Loans are granted on the security of government paper, on the stock of the Calcutta, Madras, Bombay, Delhi, and N W Banks and on the shares of other approved joint stock concerns where the parties borrowing give to the Bank a power to sell the notes or shares forming such security, if, on one month's notice of intention to close the account the loan—which will, in the first instance, be for three months and thereafter renewable for a similar term or terms—shall not then be repaid in full.

14. Parties desirous of taking advances in Bombay, Madras, or Calcutta may arrange for the same at Agra; the interest chargeable thereon will be at the rates, if lower, prevailing in those places respectively.

15. Interest on loans is charged from the date on which the amount is placed as a floating balance at the disposal of the borrower, according to notice given and is allowed at the same rate, upon all remittances from the date of their realization.

16. When loans are not liquidated within the period agreed upon a penal interest of two per cent. per annum additional is chargeable upon the balance overdue.

17. It is a condition of every loan that the party borrowing shall be subject to the general rules of the Bank, in respect of such transactions.

18. Constituents of the service, when writing to the Bank, are requested to add their rank or official designation to obviate the delay of reference; and with the same view applicants for loans are also requested, in naming their sureties, to furnish a similar detail regarding them, reporting also their residence at the time, in order that the loan papers may be forwarded to them direct, if they have previously consented to stand as such.

19. All Loan accounts with the Bank are brought up periodically to the 30th of June and 31st of December, and interest thereon is credited or debited to those dates half yearly.

20. When parties already indebted to the Bank require further accommodation, the balance due on the former account must be deducted from the new loan: as a general rule two accounts with different sureties and different terms of payment cannot be kept open at the same time.

21. The directors give a preference to applications for loans repayable within a short date.

22. The Bank render accounts once in the half year, when called for.

23. No letters bearing postage will be received by the Bank, except from pay masters deputy pay masters, or other public authorities or from places where no postage can be levied. At the close of each half-year, and in closing each loan account, a charge of 8 annas is made.

N. B.—Parties at and below Dinapore may transmit their applications to Agra or at their option, to Calcutta, to the address of F. R. Neilson Esq., Agent of the Bank.

Agra, 29th May, 1846.

R. G. MACGREGOR, Secretary.

Applications for relief are registered by the Secretary, and sent for inquiry, and report, to the members, according to the Sub-Division in which the applicant may reside. The cases, with the report of the members by whom they have been investigated, are submitted to the Committee, at the next ensuing meeting, and disposed of according to their merits, the applicant being in attendance. Those who are admitted to the funds either permanently, or for a temporary period, receive Tickets from the Treasurer to such effect. Those who are only admitted to temporary relief, on the expiration of the allotted period, are required to attend again before the Committee, and frequently their cases are re-investigated and disposed of according to a further report from the Visiting Member. Cases of peculiar hardship, but which, on account of the individuals being able-bodied, the Committee are precluded from relieving, are recommended to the Central Committee, with such temporary relief as may be deemed necessary by the Visiting Member, or the Committee, according to the exigency of the case. Applicants for relief who may be labouring under extreme old age, chronic disease, or utter inability from other causes, to labour, are lodged, fed, clothed, and prescribed for in the Society's Alms House, in Amherst Street, where there is also a separate Asylum for Lepers.

C. F. School Regulations R. 114 page 27.

"The benefits of the institution are sometimes extended to such children as have friends who wish to place them in the School, and, to avoid burdening the institution, agree to pay a sufficient sum to cover their expenses. It is understood that the Guardians of these children retain their natural right of removal and other control over them so as not to interfere with the general discipline of the School; but in all other respects there is no distinction between them and the rest of the children. By a sum sufficient to cover the expenses, is to be understood a sum not less than ten rupees a month, or a donation which may be considered equivalent, with reference to the age of the child, and its claim on the charity. The Governors however have a discretionary power as to the demand of a monthly sum to be paid for such children, which is in no case to exceed ten rupees."

All applications for having children admitted and apprenticed, are to be made to the Governors, through the Secretary.

THE BENGAL HURKARU,

A DAILY NEWSPAPER,

PRINTED ON AN EXTRA LARGE IMPERIAL SHEET,

WITH WHICH IS INCORPORATED

THE INDIA GAZETTE AND BENGAL CHRONICLE;

ALSO

THE BENGAL HERALD & CALCUTTA LITERARY GAZETTE.

THE BENGAL HURKARU, the senior and the largest journal of India, was established, as a *Weekly Newspaper*, in January, 1795. It was originally printed on small folio sheets, and published every Tuesday morning, with supplements on occasion required, during the week: subsequently, the day of its publication was changed to Saturday, and eventually it became a *daily Paper*.

The first number of the daily Hurkaru (being likewise the first DAILY Paper ever published in India) appeared on the 29th April, 1819, printed on a single quarto sheet, which was then judged the utmost that could be got up daily at an Indian Press. Very soon, however, a second sheet was considered necessary and means were found to publish it; and on the 1st July, 1821, a third sheet was added, and the *material* upon which it was printed changed from Bengal medium to good European royal paper—the first ever used for an Indian Newspaper. Quarto, and even small folio, sheets, having, however, been found, by experience, unsuited to the purposes of a *daily paper*, on the 1st February, 1824, it was printed on a royal folio sheet, and so continued until 1st January, 1831, when it assumed its present *imperial size*.

The interests and resources of several Calcutta journals have, from time to time, merged in the BENGAL HURKARU, and it received an important accession on the 1st October, 1834, when the then oldest Newspaper in India, (*The India Gazette*) with all its stock, was united to the Hurkaru Press: on the 1st January, 1844, the *Bengal Herald* and *Calcutta Literary Gazette* were added as a Weekly Supplementary (7th) Sheet—thus rendering the *Bengal Hurkaru* the largest and most comprehensive Newspaper, ever yet published in India.

The BENGAL HURKARU is *delivered*, free of expense, every morning, by the peons of the establishment, throughout Calcutta and its environs, including Russaspugla, Garden Reach, Seebpore, Howrah, Sulkea, Cossipore, Dum-Dum, Barrackpore, Serampore, Chandernagore, Chinsurah, and Hooghly. A second edition is despatched by Dawk every evening, bearing postage.

The weight allowed for Newspapers is 3½ sicca weight each cover, upon which postage is levied at two rates—two annas to stations within 400 miles, and three annas to stations exceeding that distance.

* If paid in advance.

1. All Subscriptions are payable *in advance*.
2. No subscription is received for *less* than one month.
3. *Annual* Subscriptions commence on 1st January, or any other date the Subscriber may desire *Quarterly* and *Monthly* Subscriptions commence on the *first* day of the quarter or month.
4. Subscribers who do not *pay* their Bills Yearly or Quarterly, *in advance*, will be charged at the monthly rates.
5. Bills are not (on discontinuation) made for *broken periods* of a month; they are prepared, and the full amount is due, on the 1st day, *in advance*.
6. Subscriptions are considered to be in force until countermanded, *in writing*; unless otherwise so specified *in writing* at the time of subscribing.
7. Every Subscriber who is two quarters in arrear, shall receive a formal notice, soliciting payment, which if not attended to, before the expiration of the ensuing (or third) quarter, will be considered sufficient authority for the discontinuation of his Subscription.

* The very great reduction which the Proprietors have made on Annual and Quarterly subscriptions induce them to hope that the amount may be tendered on or before the commencement of each year or quarter (viz. 1st January, April, July, and October) as, on the first day of each month, receipts are made out at the monthly rate against all Subscribers who have not paid yearly or quarterly in advance, and it occasions much inconvenience, and frequently mistakes, to withdraw from circulation and alter or cancel such receipts.

N. B. The mere desire to subscribe annually or quarterly, does not entitle the subscriber to the reduced rates, to ensure which it is necessary that payment be actually made in advance.

* Mofussil, Madras, Bombay and other Subscribers who may desire to receive their papers "postage paid" are requested to remit the amount thereof, together with their annual or quarterly Subscriptions in advance: viz. Subscriptions as above stated—Postage, on the Hurkaru, within 400 miles, Twelve Rupees per quarter or Forty-six Rupees per year; beyond 400 miles the postage increases one anna per cover.

Total consolidated subscription and postage, if punctually PAID in advance, for the daily Bengal Hurkaru, Thirty-two Rupees per quarter or One Hundred and Ten Rupees per year, to stations within 400 miles; to stations beyond that distance Thirty-eight Rupees per quarter or One Hundred Thirty-two Rupees per year.

* Newspapers cannot, under any circumstances, be sent to the Mofussil or other distant stations, (especially if it is necessary that they should be postage paid in Calcutta,) unless a year's or quarter's subscription be remitted, on subscribing, or a reference be given for quarterly or annual payment, in advance, including postage when payable in Calcutta.

"SUBSCRIPTIONS" AND "ORDERS."

The Publishers beg to draw attention to the distinction between *permanent Subscribers* to their periodical works, who direct their transmission, until countermanded, and *Subscriptions, or Orders*, which do not give such directions, and are therefore considered by the publishers to apply only to a particular volume or to the year in which the order is received.

The Publishers are aware, that when an order is sent to them to put the writer's name down for "a copy of the Directory," or as "a Subscriber to the Directory," it is often expected that the work will be sent to them regularly, but having frequently caused to Subscribers and suffered themselves, much inconvenience and loss by so construing doubtful orders, the Publishers have thought it right to explain and solicit attention to the distinction between *permanent Subscribers* and *Orders or Subscriptions* for the current year only.

This explanation, the Publishers trust, will be acceptable to all their supporters, but particularly so to Gentlemen in the Mofussil who, considering themselves *permanent Subscribers*, though the publishers have no authority or so registering them, have omitted to forward any order for the work, until the whole of the copies had been sold. To prevent the frequent recurrence of this misunderstanding, the Publishers affix a List of *Permanent Subscribers* to every Edition of their Directory, and they solicit Gentlemen whose names are not included in this List, but who may wish to receive the work *regularly as soon as published*, to favour them with directions to that effect, specifying whether they require the 2d and 3d Editions, or only the Annual one.

N. B. Mofussil orders cannot be attended to from Gentlemen who have not good accounts open with the Publishers, unless a reference for payment be also remitted with the order.

 Orders from *non-Subscribers* to be addressed to their own Booksellers, or Agents if convenient; otherwise to the Publishers in CALCUTTA or to their agents at the undermentioned places:—

DINAPORE, Messrs Francis Smyth and Sons.

BENARES, Messrs. Tuttle and Charles

ALLAHABAD, Mr. J. R. Berrill.

DELHI, Messrs Baness and Taylor.

MERRUT, Messrs. Gibbon and Co.

KURNAUL and SIMLA, Messrs. P. McDonald and Co.

* * * To prevent mistakes, it is respectfully intimated that accounts cannot be opened for the above publications; CASH, or a reference for payment is requested from parties who have not accounts open with the Harkara Press.
